 #37286NG        6' x 8' (72" x 96")

BRAND	Velvet Shield®	ToughGuard™
PRODUCT TYPE	Carbonized fiber	Heat cleaned uncoated fiberglass
MATERIAL	Carbonized fiber	Fiberglass
TEMPERATURE RATING	1800°F	1000°F
THICKNESS	.150" - .200"	.035"
COATING	Uncoated	Uncoated
GROMMETS	Not grommated	No - available upon request
FOR STRESS RELIEF	No	Yes
ABRASION RESISTANCE	Moderate	Moderate
COMPLIANCE 1	FM approved	FM approved
COLOR	Black	Tan
SPECIAL FEATURE 1	Not recommended for stress relief	Heat cleaned
